4.     **BEQUESTS IN WILLS**

Bequests in Wills are acceptable only from members of Alcoholics Anonymous. The limit for such bequests is three thousand dollars [\$3,000] and must be on a one-time-only basis and not in perpetuity.

5.     **GENERAL SERVICE CONFERENCE**

Provided it doesn't affect our prudent reserve, Area 83 pay to GSO the full assessment for our Delegate to attend the General Service Conference.

**SECTION IV NEW  
DISTRICTS**

At approximately the middle of every two-year period, there should be a review by each District Committee Member of the need for redistricting within the District in order to provide A.A. services in the best interest of the groups and members. Should redistricting be desired, District Committee Members should take action as stated in the *A.A. Service Manual*., the Guidelines for Creating a New District in Area 83 and the Area 83 Application for Additional District. The proposed plan shall be brought to the Area Assembly for approval.

**Calling the Question:** A motion to bring debate to a halt while the members decide whether to proceed directly to a vote or go on with the debate. Must be made in order (recognized by the chair and have the floor and prior to any debate). Requires a seconder. Not debatable. Requires a two-thirds vote.

**Tabling a Motion:** Postponing a discussion to a later time. Requires a motion and a second. Not debatable. Requires a simple majority

**Sense of the Meeting:** A measure of the "mood" of those in attendance. All members (voting and non-voting) may raise their hands.

They are meant to be helpful and to clear up any questions around the responsibilities of the Service Information Day Committee for Area 83 Eastern Ontario International.

# GUIDELINES FOR THE SERVICE INFORMATION DAY COMMITTEE

## **PURPOSE OF THE SERVICE INFORMATION DAY**

Pursuant to the Area Operating Procedures, Section I General - Sub-Section 4 – Assemblies, and Section III Responsibilities - Service Information Day Committee – part 17, the following is a set of suggested guidelines for the Service Information Day Committee's use.

The purpose of the Service Information Day is to present and explain as many facets of A.A. General Service as possible to members and guests of the Assembly.

At the time of the creation of these guidelines, Area 83 holds regular Assemblies twice a year, in March and October. The actual Assembly is scheduled for the Sunday of the Assembly weekend. The Saturday of the Assembly weekend is designated a Service Information Day. An open speaker meeting is held on the Friday night of the Assembly weekend.

## **The Committee**

The committee is comprised of six District Committee Members elected by the Area Committee at the first meeting in a new delegate panel term, as defined in the Area Operating Procedures – Section III Responsibilities – Service Information Day Committee – part 17. The Area Chairperson will chair the first meeting of the SID committee until the committee has chosen a chairperson from amongst it's membership.

Hereinafter this Committee shall be referred to as the SID Committee.

## **SUGGESTED DUTIES**

### **Meetings**

The SID Committee will meet with sufficient frequency to allow the proper execution of their defined duties. Experience has shown that this will typically be:

- Immediately after each Area Committee meeting,
- Early on the Friday evening of each Assembly weekend,
- Jointly with the Area Officers Friday evening of each Assembly weekend.

### **Friday night open meeting**

- The SID Committee selects a chairperson for Friday night's open meeting, who then selects the Friday night's speaker:
  - The chair of the Friday night open speaker meeting should rotate through the members of the SID Committee.

- This meeting is a convenience for those assembly members and guests who choose to arrive on Friday night. As such, this meeting ought not to have an 'imported' speaker.
- When selecting a speaker for the Friday night open meeting, it is suggested that no sitting member of the Area Committee be chosen so as not to give any implied advantage to anyone with regards to upcoming elections at the end of the term.
- Note: a seventh tradition is collected.

## **Service Information Day**

### **Workshops / Presentations**

- Experience has shown that one-hour time blocks (50-minute workshop/presentation plus 10-minute rotation time) are optimal. The Service day typically will run from 9:00 a.m. to 5:00 p.m.
- Each of the Area Officers, with the exception of the Area Chair, and each sub-committee chairperson should be expected to put on at least one workshop each Service Day. These workshops should be related to the service work being done by each person, but the actual choice of topic and format is the responsibility of that person. The Area Delegate's workshop(s) generally are plenary sessions (full attendance / no other workshops scheduled). The Alternate Delegate's workshop typically is an interpretation of three of the Twelve Concepts each Service Information Day during the term.
- The SID Chairperson and/or designate shall confirm with the Workshop Chairpersons their availability to offer a workshop prior to publication of the agenda
- Other workshops / presentations are chosen and scheduled by the SID Committee. Previous Assemblies have committed workshops (one per term) on Service Sponsorship, Accessibility/Special Needs and Intergroups.
- Historically, topics such as the following have proven to be of recurring interest:
  - DCM's providing interpretations of the Traditions. (This would be a full term project, with three Traditions done each of the Service Days.
  - GSR training (with an emphasis on communication within the General Service Structure)
  - DCM training (with an emphasis on communication within the General Service Structure)
  - History of Area 83
  - General Service Structure
  - AA Online
  - 12 Stepping a wet drunk

### **Assigning Chairpersons to workshops**

- Area officers and sub-committee chairs will typically chair their own workshops. Any qualified A.A. member could chair the other set of workshops. For example, past Delegates, DCM's, or GSR's.

It is strongly suggested that these chairpersons be chosen from the A.A. membership that will already be attending the Assembly weekend. If a member is 'imported'\* to chair, his/her reimbursed expenses (fuel expense, one night hotel accommodation) will be reflected in the expenses of the Service Information Day Committee.

### **Facilitating Workshops**

- A member of the SID Committee will facilitate each workshop. It is his/her responsibility to ensure that the chair of each workshop has the requested tools to present his material i.e.: overhead projector, VCR, television etc. Chairpersons may also ask the facilitator to open and/or close the workshop for them. Facilitators should be assigned at the Friday night SID meeting and be communicated to the workshop chairs at the joint SID/area officer meeting that same evening.

### **Liaising**

- A copy of the complete program of the Saturday Service Information Day should be provided to the Area Secretary eight weeks prior to each Assembly for printing and distribution.
- Work with the Area Chairperson to ensure the audio-visual equipment required for the workshops is provided.

### **Ask it Basket**

- The Ask it Basket is a tool that allows Assembly members and guests to ask questions they have not had a chance to ask during the course of the day.
- It is the responsibility of the chairperson of the SID committee to collect and preview the questions before the Ask it Basket workshop.
- It is recommended that difficult questions be shared with the parties who will be asked prior to the session so that an appropriate answer may be given.

### **Questionnaires**

- The SID Committee may design and distribute questionnaires during the Service Information Day.
- They should be designed in such a way that their results will give the committee a better idea of what the assembly wants in the way of future workshops and what was or was not successful at the present one. They should not in any way be designed to be hurtful.

- Detailed results should be compiled by the SID Committee and kept for their use. Individual workshop chairs should be advised of significant comments pertaining to their workshop.

### **SPENDING GUIDELINES (see Section III Expenses: General, Area 83 Operating Procedures)**

- Members of the SID Committee are entitled to their rooms for Friday night and meals for Friday night and Saturday to be reimbursed by Area 83.
- As each committee member is also serving as a District Committee Member for his or her District, it is expected that the District will reimburse any other reasonable expenses for attending the Area Assembly.
- The Chairperson of the Service Information Day Committee will be entitled to be reimbursed for their room Friday and Saturday night as well as meals for Friday night and Saturday. The Area Chairperson will manage the room reservation as part of their responsibility.
- Literature may be purchased for a literature table. Only literature relevant to that day's workshop should be provided. It is suggested that all purchases be made through GSO and that the treasurer be made aware of any purchases prior to any ordering.
- The spending guidelines for the SID Committee should include provision for no more than two imported chairperson per assembly weekend.

### **RESPONSIBILITIES**

#### **SID Committee Chairperson – Elected by the SID committee**

- Chair the SID committee meetings.
- Open the Service Information Day on Saturday Morning.
- Liaise with the Area chair regarding issues on the Service Information Day.
- Preview and moderate the Ask it Basket.
- Report to the Assembly and to the Area Committee

#### **SID Committee Secretary – Elected by the SID committee**

- Record minutes of the SID Committee meetings
- Provide copies of those minutes to the members of the committee and area officers.
- Provide the Area Secretary with a complete SID agenda 8 weeks prior to the event.
- Design and compile results from questionnaires
- Aid the Chairperson in the presentation of the ask it basket, recording responses given to questions.
- Ensure workshop chairpersons provide workshop topics.

## **INTRODUCTION:**

The purpose of this procedure is to describe the election process for the Area Officers of Area 83 – Eastern Ontario International.

The goal of this procedure is:

1. To provide a written guideline to those supervising the Election process.
2. To ensure that the Election of Area Officers are carried out on a consistent basis from term to term.
3. To eliminate the possibility of complaints or challenges from the Assembly about conflicts of interest or improprieties in the Election process.

This Handbook is intended as a reference only and does not in any way supercede Area 83's Operating Procedures. As with all AA matters, everything here is suggested. Acceptance of the procedure is a matter of the Area's group conscience.

The Area Officers are the Delegate, Alternate Delegate, Area Chair, Treasurer and Secretary.

Area Officers are elected for a two year term starting on January 1 of odd-numbered years. Elections for Area Officers are held at the Fall Assembly preceding the beginning of the new term. Elections are the last item of New Business at this Fall Assembly.

Since the members of the current Area Committee are eligible to stand for election to positions in the new term, they cannot in any way be associated with the running of the election. It is recommended therefore, that the Elections be carried out by an Election Team composed of AA members who are not eligible to stand for election and are not voting members of the Assembly.

When the Area Chair reaches the 'Elections of Area Officers' item of New Business on the Agenda, she/he will turn the election process over to the Elections Chair.

Upon completion of the election of Area Officers, the Election Chair will return the business of the Assembly back to the Area Chair.

## **THE ELECTION TEAM:**

The following diagram outlines the suggested organization of the Election Team:

The **Election Chair** supervises the Election Team and the election process

The **Teller** supervises the distribution, collection and counting of ballots

The **Recorder** displays the names of all candidates standing for election and the results of each ballot to the Assembly.

The **Ballot Distributors and Collectors** distribute blank ballots to voting members and collect the completed ballots.

The **Ballot Counters** sort, count and tabulate the completed ballots.

### **THE ELECTION CHAIR:**

The Election Chair supervises the Election process and the Election Team.

It is suggested that the Area Chair choose the Election Chair and announce his or her name to the Area Committee at the September Area Committee meeting.

When deciding who to ask, the Chair should keep in mind that the Election Chair must not be eligible to stand for any of the Area Officer positions and must not be a voting member of the Area Assembly.

Past Delegates are a suggested source of candidates for the position of Election Chair. An exception is the Immediate Past Delegate who is a voting member of the Area Committee and the Assembly.

The Election Chair recruits the Teller and Recorder. They are AA members who are not eligible to run for any of the Area Officer positions and are not voting members of the Assembly.

At the end of the election process, the Election Chair returns the Assembly business back to the Area Chair along with the records of the election results.

### **THE TELLER:**

The Teller is responsible for supervising the distribution of blank ballots to all voting members, the collection of completed ballots from voting members and the sorting and counting of these ballots.

The Teller recruits the Ballot Distributors and Collectors. Six people are required for this job. It is suggested that extra candidates be recruited to allow for last minute changes.

The Teller also recruits the Ballot Counters. Six people are required for this job. It is suggested that extra candidates be recruited to allow for last minute changes.

### **THE RECORDER:**

The Recorder is responsible for recording the names of all candidates standing for each position and displaying the list of candidates on an overhead projector for review by the Assembly.

The Recorder is responsible for receiving tabulated results from the Teller during the Election process.

The Recorder reviews all results with the Election Chair prior to displaying them on an overhead projector for review by the Assembly.

The Recorder assists the Election Chair at all times during the Election process.

The Recorder is an AA member who is not eligible to run for any of the Area Officer positions and is not a voting member of the Assembly.

#### **THE BALLOT DISTRIBUTORS AND COLLECTORS:**

They are chosen by the Teller and take direction from the Teller during the Election proceedings.

Ballot Distributors and Collectors are AA members who are not eligible to run for any of the Area Officer positions and are not voting members of the Assembly.

#### **THE BALLOT COUNTERS:**

They are chosen by the Teller and take direction from the Teller during the Election proceedings.

Ballot Counters are AA members who are not eligible to run for any of the Area Officer positions and are not voting members of the Assembly.

#### **THE ELECTION AGENDA:**

- A suggested Election Agenda can be found in Appendix A.

#### **PHYSICAL ARRANGEMENT FOR AN ELECTION:**

- Overhead projector & screen – always there, but make sure they work
- Tables and chairs for Ballot Counters
- Chairs in the Assembly hall to be arranged with four aisles (left, right and two internal) to allow for more people to distribute and collect ballots – we may need more rows to make up for the loss of 2-3 chairs per row required to make the extra aisle.
- The Area Chair will include these requirements in her/his letter to the hotel – but it will be the Election Chair's responsibility to make sure they are there and working on the Election Day.

#### **SUPPLIES:**

- Paper ballots – say a maximum of 5 ballots X 5 positions X 250 votes per ballot = approximately 8,000 ballot forms
- Pencils/pens
- Forms for tabulating data
- Calculators
- Elastic bands for bundling ballots/forms after each count
- Intermediate storage to assist counting
- Boxes for storing completed ballots
- Transparencies – preprinted with rows & columns (i.e. ready to use)
- Transparencies – blank
- Felt pens for writing on transparencies
- Buckets for the collectors – 3 aisles X 2 collectors each = 6 buckets + spares
- Water, glasses for counters
- A 'hat' to be used in cases where a candidate must be chosen by going to 'the hat'

**ELECTION TEAM EXPENSES:**

It is recommended that Area 83 reimburse the Election Team for all reasonable expenses related to acquiring any extra equipment or supplies required to run the Election.

It is further recommended that Area 83 reimburse the Election Chair for reasonable expenses related to her or his attendance at the Fall Assembly.

Where possible, it is suggested that all other Election Team members be drawn from AA members who would be attending the Assembly anyway, even if they were not members of the Election Team.

## **APPENDIX C – ELECTION PROCEDURE**

1. Announce that elections will now begin for the position of \_\_\_\_\_
2. Read down the list of eligible candidates
3. Read up the list of eligible candidates, waiting for a verbal indication that the candidate is either standing for the position, declining the position, or is not present
4. The Recorder will write the names of each candidate who stands for the position onto a transparency and display it on an overhead projector for viewing by the Assembly
5. After the list has been read in reverse and all candidates who are present have indicated their desire to stand or decline, the following will occur:

If only one candidate stands, the Election Chair will declare that person as elected to the position of \_\_\_\_\_ by acclamation. The Election Chair will then remove the person's name from the list of eligible candidates for the remaining positions and move directly to the next agenda item if more than one candidate stands, the Election Chair will invite each one to come to the microphone at the head of the room to speak briefly about their experience and qualifications for the position of \_\_\_\_\_

6. After all the candidates have spoken, the Election Chair will announce the start of the first ballot for the position of \_\_\_\_\_
7. The Ballot Distributors and Collectors distribute and collect the ballots
8. The Ballot Counters sort the ballots by candidate and count the number of ballots for each candidate
9. The Teller writes the number of ballots for each candidate on a transparency. The Teller also shows the total votes and the number of votes required for a 2/3 majority. At the end of the third ballot the Teller determines the number of votes equal to one-fifth of the total and writes this number on the transparency. At the end of the fourth ballot, the Teller determines the number of votes equal to one-third of the total and writes this on the transparency.
10. The Teller passes the transparency to the Recorder
11. The Recorder reviews the results with the Election Chair and then places the transparency on the overhead projector for viewing by the Assembly

If a candidate has the more than the number of votes required for a 2/3 majority, the Election Chair declares that candidate as elected to the position of \_\_\_\_\_. The Election chair then removes that person's name from the list of candidates eligible for the remaining positions and moves directly to the next agenda item

If no candidate has sufficient votes for a 2/3 majority, the Election Chair announces the beginning of the second ballot for the position of \_\_\_\_\_.

Repeat steps 7 to 11 for the second ballot.

If, after the second ballot, no candidate has sufficient votes for a 2/3 majority

The Election Chair announces that any candidate having less than one-fifth of the total vote is withdrawn automatically, except that the two top candidates must remain. If there is a tie for second place, the top candidate and the two tied second place candidates remain.

The Election Chair then announces the beginning of the third ballot for the position of \_\_\_\_\_.

Repeat steps 7 – 11 for the third ballot

If, after the third ballot, no candidate has sufficient votes for a 2/3 majority

The Election Chair announces that any candidate having less than one-third of the total vote is withdrawn automatically, except that the two top candidates must remain. If there is a tie for second place, the top candidate and the two tied second place candidates remain.

The Election Chair then announces the beginning of the fourth ballot for the position of \_\_\_\_\_.

Repeat steps 7 – 11 for the fourth ballot

If, after the fourth ballot, no candidate has sufficient votes for a 2/3 majority

The Election Chair asks the voting members of the Assembly for a motion (and seconder) to conduct a fifth ballot  
The Election Chair then asks for a show of hands from the voting members as to:

How many are in favour of the motion

How many are against the motion

If the motion is defeated (by simple majority)

The Election Chair announces that the election for the position of \_\_\_\_\_ will be decided by placing the names of the top two remaining candidates in 'the hat'. If there is a tie for second place, the names of the top candidate and the two tied voting members are placed in 'the hat'.

The Election Chair asks a voting member of the Assembly to draw one name out of the hat

The Election Chair reads out the name of the candidate drawn from 'the hat' and declares that person as elected to the position of \_\_\_\_\_. The Election Chair removes that person's name from the list of eligible candidates for the remaining positions. This ends the process for the election of the \_\_\_\_\_.

If the motion is passed (by simple majority)

The Election Chair will announce the beginning of the fifth ballot for the position of \_\_\_\_\_

Repeat steps 7 – 11 for the fifth ballot

If after the fifth ballot, no candidate has sufficient votes for a 2/3 majority

The Election Chair announces that the election for the position of \_\_\_\_\_ will be decided by placing the names of the top two remaining candidates in 'the hat'. If there is a tie for second place, the names of the top candidate and the two tied candidates are placed in 'the hat'.

The Election Chair asks a voting member of the Assembly to draw one name out of the hat

The Election Chair reads out the name of the candidate drawn from 'the hat' and declares that person as elected to the position of \_\_\_\_\_. The Election Chair removes that person's name from the list of eligible candidates for the remaining positions. This ends the process for the election of the \_\_\_\_\_.

### **GUIDELINES FOR THE FORMATION OF A NEW DISTRICT IN AREA 83**

**March 2002**

These guidelines have been written to assist in the formation of a new district in Area 83. The Service Manual and the Operating Procedures of Area 83 briefly describe the circumstances of forming a new district. These guidelines describe the process based upon our historical precedent and experience. *"Good communication and cooperation among groups, districts, and areas is important when redistricting or other changes in district structure are undertaken. There are many variations, but the goal is the same: to take care of expansion at the district level"*<sup>2</sup>

The following guidelines are a format, which if followed, should ensure the successful creation of a new district in Area 83. All proposals for new districts shall be reviewed on their own merit.

1. Local decision to form a new district

- a) Local committee to review the merits of the request
  - i. It is a good idea to include members which span the geographic area of the district
  - ii. To ensure all necessary information is at the committee's disposal include the DCM, district treasurer and district secretary as members or ex-officio members of the committee
  - iii. Frequent communication with the local membership is necessary and prudent in order to diminish rumor and fear
- b) Geographical/Service zones delineating the new district should be drawn
  - i. A pre-existing geographical boundary such as a road or county line is a good starting point - equitable numbers of groups/distance to travel
  - ii. Discussion with bordering districts as a courtesy
- c) Determination of the groups belonging to each district
  - i. A group may belong to which ever district it chooses, generally an open poll of the groups at a district meeting assists this process
  - ii. Care should be taken to divide service responsibilities as fairly as possible
- d) Financial obligations should be explored
  - i. Group contributions over a year or two should be reviewed based upon the proposal boundary/service zone in order to assure adequate finances to operate
  - ii. Existing district finances should be discussed and an equitable division of funds should be explored
- e) Service obligations should be explored
  - i. All existing service responsibilities should be discussed and evenly (where possible) distributed
  - ii. Examination of the existing service structure and the membership should be explored - will both districts have an equal opportunity to illicit the support of service minded/experienced members
- f) District officers/committee chairs elected

---

<sup>2</sup> The AA Service Manual

- i. A formality that can be done in advance to ensure continuity but definately in place before the Assembly discussion
- g) Formal notice to Area Chair and Area Secretary

2. Area Committee Recommendation

- a) Notice of motion to create a new district
